### Who we are:

A group of dedicated ARL volunteers who will work directly with the Development Team of the ARL to assist with planning and executing small fundraising events. We are not a separate entity and work alongside the ARL staff.

### What we do:

Each year, the ARL hosts a variety of large-scale fundraisers and campaigns. Our goal is to supplement those events with smaller fundraising events such as yappy hours, kitten/puppy yoga, restaurant fundraisers, and more. We will be responsible for making connections with organizations to host these events, verifying details, providing volunteers to assist, and working with the ARL staff to market the event.

### Requirements:

Anyone can be a Friend of the ARL. We ask that all Friends support the ARL philanthropically each fiscal year with a personally meaningful gift, attend meetings, and assist with the planning and execution of fundraising events.
